Skills

- Languages 📖 Reading and writing competencies for English.
- Coding 📖 Matlab, Python, Shell, Web Spider, \LaTeX .
- Modeling 📖 ROMS, SWAN, COAWST (ROMS + SWAN).

Awards and Achievements

- 2022.10  **The Second Prize Scholarship**, Sun Yat-Sen University.
- 2021.10  **The Second Prize Scholarship**, Sun Yat-Sen University.
- 2020.10  **The Second Prize Scholarship**, Sun Yat-Sen University.
- 2019.10  **The First Prize Scholarship**, Sun Yat-Sen University.
- 2018.10  **National Scholarship**, China University of Mining and Technology.
- 2017.10  **National Encouragement scholarship**, China University of Mining and Technology.
- 2016.10  **National Encouragement scholarship**, China University of Mining and Technology.

Exchange and Visiting Scholar Experience

- 2023.05 – 2023.08 **School of Marine Science, Nanjing University of Information Science and Technology**, Collaborating Supervisor (Changming Dong).
- 2022.07 – 2022.08 **South China Sea Institute of Oceanology, Chinese Academy of Sciences**, Collaborating Supervisor (Yineng Li).
